Old Business – none

Town Manager report:

- Meeting with Pastor Stephenson on leaf disposal for the community garden on start date
- Thanked the utility board for implementing the limb program and the public reception has been for positive
- Making sure any infrastructure problems are taken care by the town and will continue to make sure the right of ways and roadways are maintained properly. Some of the areas we have or will be working on are Park Forest subdivision, Meadow Creek subdivision, Oakville Subdivision, Millstone Subdivision and Springhill South Subdivision also including 400N.
- Try to fix any existing problems at the roundabout area.
- Asked for authority on at maximum of two pipe bores at the roundabout. A few others in town. The town is trying to minimize soft costs as much as possible. If the board has anything they see that needs attention to let Norm know about it.
- Norm commented on needing dirt for some projects and looking at other projects in the county for dirt for the community garden. Darrell asked if it would be possible to get some dirt from the new Kroger in franklin so Norm is going to look into it.
- Norm reported that tomorrow night he is introducing a new resolution to the Redevelopment Commission an exclusion on any apartment complex to help the school system to continue to received tax money due to increase of students if one is built.

Meeting adjourned at 7:21
