**AFFIDAVIT OF APPLICANT**

1. Work cannot be started before a building permit has been issued and posted, or available on site.
2. The building permit becomes void if visible work is not begun in 60 days.
3. The building permit must be posted on site in a conspicuous location, visible from the street, and must remain in place during the entire period of construction.
4. If any changes or deviations are made from the original application, the Planning & Zoning Department must be notified immediately.
5. The undersigned is responsible for the scheduling of all building inspections. When scheduling building inspections, refer to the permit number, subdivision and lot number and or address.
6. The structure cannot be occupied until all inspections have been made and approved, and a Certificate of Occupancy has been issued by the Building Commissioner.
7. The undersigned owner or agent understands that the approval of this application does not constitute a privilege to violate any applicable government ordinances, codes, or laws. In addition, any omission or misrepresentation of fact, with or without intention of the undersigned, or any alteration or change from revocation of any permit issued which was based on the approval of this application.
8. The Town of Whiteland does not have the authority to enforce subdivision covenants, or local Homeowners Association covenants.
