Norm,

I would like to express my interest in running for the open position in the town Board of Zoning Appeals. As I am not a resident of Whiteland I do have 2 businesses in Whiteland along with rental properties. I attended Whiteland school's from K-12. I have a passion for this town and am wanting to see the success of our future, not only for our businesses but our residents and bring a community feel to our town. I hope you consider me for the open position.

Thank you

I might be interested in serving on the board of zoning appeals. I saw a notice in the Daily Journal. Can you inform me of the time commitments?

I am a project manager for a commercial construction company. I have 17 years of experience in this role. I did have my real estate broker's license for 10 years. I am familiar with zoning law structure.

Hi Norm,

The wife and I saw the article about needing board members in the Journal. I do seem to have the time to commit to the town. I have no idea of what either position entails, but I'm interested to see if I could be of any help. If they're are any openings left.
