

## **Town of Whiteland Redevelopment Commission 2012 Annual Report**

### **Introduction**

Under Indiana Code 36-7-14-13, the Redevelopment Commission (“RDC” or “Commission”) must prepare an annual report outlining their activities, members, and expenditures made during the preceding calendar year. The following is a summary of the Commission’s activities during the 2012 calendar year.

### **Summary of commission activities**

The Town of Whiteland Redevelopment Commission was established by town ordinance in 2006. All commission members had vacated their positions prior to 2012, and no new members were appointed because of an anticipated lack of business in 2012. Therefore, there was not a quorum available to hold an official meeting in 2012, no officers were elected, and no business was brought forth or otherwise conducted.

### **Commission members and officers**

Commission members appointed by the municipal executive:

- Position vacant
- Position vacant
- Position vacant

Commission members appointed by the municipal legislative body:

- Position vacant
- Position vacant

### **Employees**

There were no persons employed by the Commission in 2012. No employee salaries or other compensation were budgeted or paid out in the year.

### **Funds and expenditures**

No expenditures of any sort were made by the Commission in 2012.

No tax increment revenue was received or expended by the Commission or by any other entity, as there were no tax increment financing districts established in the Town.

At the close of 2012, the Commission had a total of \$450 allocated in the Town of Whiteland General Fund for commission member stipends. This amount then reverted to the General Fund.

### **Other activities**

In December, the Whiteland Town Council and Council President appointed five persons to serve on the renewed Redevelopment Commission in 2013.

Respectfully submitted on January \_\_\_, 2013,
