WHEREAS, the Town of Whiteland, Indiana, recognizes the need to stimulate growth and maintain a sound economy within its corporate limits;

WHEREAS, Ind. Code § 6-1.1-12.1-1 *et. seq.* provides for a program of real property and personal property tax abatement within “economic revitalization areas” (“ERAs”) and provides for the adoption of such a program;

WHEREAS, Ind. Code § 6-1.1-12.1 empowers the Council to designate economic revitalizations areas by following a procedure involving adoption of a preliminary declaratory resolution (Whiteland Town Council Resolution No. 2021-07, hereafter “Resolution No. 2021-07”), providing public notice, conducting a public hearing and adopting a final resolution confirming the declaratory resolution or a modified version of the declaratory resolution or rescinding the declaratory resolution;

WHEREAS, on February 18, 2021, Hines Acquisition LLC (“Hines,” or “Applicant”) filed its Statements of Benefits Real Property as required by the Council (the “Statement of Benefits”), which was included as part of the Application for Property Tax Abatement included as Exhibit B of Resolution No. 2021-07 (the “Application”);

WHEREAS, on March 9, 2021, the Council adopted a declaratory resolution, Resolution No. 2021-07, designating the area more particularly described and depicted on Exhibit A attached hereto and incorporated herein (the “Real Estate”) as an economic revitalization area and approving certain real property improvements for property tax abatement, and fixed 7:00 p.m. on April 13, 2021, at the Whiteland Town Hall 549 E Main Street, Whiteland, Indiana, for a final public hearing for the purpose of receiving any remonstrance or objections from any person in or affected by the Real Estate or its designation as an economic revitalization area;

WHEREAS, proper legal notice was published indicating the adoption of Declaratory Resolution No. 2021-07, and stating when and where the public hearing would be held; and

WHEREAS, the Council has held a public hearing as to whether the Real Estate should be designated as an economic revitalization area, and at such public hearing, any and all additional

NOW, THEREFORE, BE IT RESOLVED BY THE WHITELAND TOWN COUNCIL THAT:

Section 1. The Whiteland Town Council hereby takes “final action” as that phrase is contemplated in Ind. Code § 6-1.1-12.1 *et seq.* with regard to the designation of the Real Estate as an economic revitalization area, the request by Hines for real property improvements tax abatement, and the confirmation of the adoption of Whiteland Town Council Resolution No. 2021-07.

Section 2. The Whiteland Town Council hereby confirms certain findings made within Resolution No. 2021-07 and makes such additional findings and determinations as follows:

- A. That the Real Estate is located within the jurisdiction of the Whiteland Town Council for purposes set forth in Ind. Code § 6-1.1-12.1-2;
- B. That this Council has determined, based on the information provided by the applicant and other evidence before the Council, that the site has become undesirable for or impossible of normal development and occupancy inasmuch as normal development and growth has not occurred in the area during the past ten (10) years without additional financial incentives;
- C. That the improvement of the Real Estate described herein would be of public utility and would be to the benefit and welfare of all citizens and taxpayers of the Town of Whiteland;
- D. That the designation of the Property as an “Economic Revitalization Area” and providing property tax abatements will assist in the inducement of projects that will provide employment opportunities to residents of the Town of Whiteland and Johnson County;
- E. That the Statements of Benefits Real Property Improvements forms filed on February 4, 2021 by Hines, included within the Application, are in acceptable form and comply with the standards set forth in Resolution No. 2021-07;
- F. The estimate of the value of the redevelopment is reasonable for projects of this nature and type;
- G. The estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed described redevelopment;
- H. The estimate of the annual salaries of the individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed described redevelopment;

- I. The number of individual opportunities for employment, both temporary and permanent, and the compensation to be paid to employees, along with the value of the installation of the real property improvements, creates benefits of the type and quality anticipated by the Whiteland Town Council within the ERA and can reasonably be expected to result from the proposed described redevelopment; and
- J. The totality of benefits is sufficient to justify the deductions.

Section 3. The area legally described and depicted on the attached Exhibit A is designated an Economic Revitalization Area in the Town of Whiteland.

Section 4. The deductions allowed within the said ERA shall be as allowed under Ind. Code § 6-1.1-12.1-3 with respect to the real property improvements developed in substantial compliance with the descriptions, projections, and plans set forth in the Application.

Section 5. The Council hereby confirms Resolution No. 2021-07 adopted March 9, 2021 and hereby finally approves the Application for Property Tax Abatement included as Exhibit B of Resolution No. 2021-07.

Section 7. The President of the Council is hereby authorized to complete and execute Hines' Statements of Benefits forms consistent with this Resolution.
